## Mechanical Engineering Courses

The following Engineering classes are offered at the University Center of North Puget Sound on the Everett Community College campus. They are ordered in a semester-by-semester format showing the sequence you will follow. Some classes may be offered in difference semesters depending on instructor availability, but these core classes will be offered in Everett. Students are required to travel to the Saint Martin’s University main campus in Lacey for some of the lab sessions.

Semester taken	Cr	Course Number	Course Title
	3/1	ME 300/300L	Manufacturing Processes & lab
Summer	3/1	ME 308/309	Fluid Mechanics & lab
	3	ME 301	Theory of Machines
Fall	3	ME XXX	Elective
	3	ME 340	Thermodynamics I
	2	ME 360	Materials Science
	3	ME 341	Thermodynamics II
Spring	3/1	ME 345/345L	Elements Elec. Engineering & lab
	3/1	ME 347/347L	Heat Transfer & lab
	2	ME 370	Systems Analysis & Design
	3	ME 401	Machine Design
Summer	3	ME 415	Instructional and Experimental Design
	3	ME XXX	Elective
Fall	3	ME XXX	Elective
	3	ME 498	Senior Design I
	3	ME XXX	Elective
Spring	3	ME 499	Senior Design II
	2	GE 359	Ethics, Law and Economics

Please note that this schedule does not complete the 64 semester credits required to earn a degree. Students need to complete additional classes on-line with Saint Martin’s University to meet the minimum credit requirement for the degree. Your advisor with help with program planning.
